The above financial institutions are members of the IOLTA Honor Roll established by the Maryland State Bar Association and Maryland Legal Services Corporation. All Honor Roll members help support legal aid to Maryland's low-income population by paying premium rates on IOLTA accounts. If your financial institution is not currently a member of the IOLTA Honor Roll, we ask that you encourage them to join this important program. The MSBA & MLSC encourage attorneys to do their banking with Honor Roll members and help support the provision of critically needed legal aid to those Marylanders unable to afford such services.

For a complete list of all financial institutions approved to accept IOLTA deposits, visit www.mlsc.org.
