AN INTRODUCTION TO MLSC and THE IOLTA PROGRAM

The Maryland Legal Services Corporation (MLSC) was established by the Maryland General Assembly in 1982 to raise funds and make grants to nonprofit organizations for the provision of civil legal assistance to low-income persons in Maryland. MLSC is governed by a nine-member Board of Directors appointed by the Governor and confirmed by the Maryland Senate.

At the time the Maryland legislature created MLSC, it also created Maryland's Interest On Lawyer Trust Accounts (IOLTA) program as MLSC's primary source of revenue. The IOLTA program, which was amended in 1989 from a voluntary to mandatory program, requires lawyers to place certain nominal and short-term client funds into pooled interest bearing accounts. The interest on these accounts is remitted by financial institutions to the MLSC Fund, and MLSC's Board of Directors awards grants to nonprofit legal services organizations to assist indigent persons with civil legal problems throughout the state. The trust accounts are, as always, administered by the attorneys and law firms. All 50 states and the District of Columbia have IOLTA programs.

For more than twenty-five years, Maryland's IOLTA program has proved to be a valuable partnership between attorneys and financial institutions to fulfill a critical public need. Virtually every institution that has been approved by the Attorney Grievance Commission of Maryland to receive attorney escrow accounts under the Maryland Rules offers IOLTA to their attorney clients. The law requires that all attorneys, absent a waiver from MLSC, pool all qualified client trust funds (i.e. funds that are nominal in amount or will not be held long enough to generate net interest for the client) in IOLTA accounts with the interest payable to the MLSC Fund.

MLSC has created this manual to explain IOLTA to financial institutions and provide financial institutions with guidelines for participation in this important, worthwhile program. ALL OR ANY PART OF THIS GUIDE MAY BE DUPLICATED AS NEEDED, AND SHOULD BE DISRIBUTED TO ALL APPROPRIATE OPERATIONS PERSONNEL. If you need further information or if the MLSC staff can be of any assistance to you in your implementation or operation of the IOLTA program, please visit our website at www.mlsc.org, or call us at (410) 576-9494, toll-free at 1-800-492-1340. Also, e-mail inquiries may be sent to iolta@mlsc.org.

This manual may be downloaded from the MLSC web site at <http://www.mlsc.org>.

IOLTA: QUESTIONS AND ANSWERS

Q: WHAT IS AN IOLTA ACCOUNT?

A: IOLTA stands for “Interest on Lawyer Trust Accounts.” Attorneys routinely receive client funds to be held in trust for future use. If the amount is large or the funds are to be held for a long period of time, the attorney should place these monies at interest for the benefit of the individual client. However, in the cases of amounts that are small or are to be held for a short time, it is impractical to establish separate interest-bearing accounts for individual clients. In this case, funds are placed into an IOLTA account, with interest earned on the account paid to the Maryland Legal Services Corporation Fund (MLSC). The IOLTA account remains in the lawyer/law firm’s name, but it bears MLSC’s tax identification number (52-1266744).

Q: DO ALL LAWYERS HAVE TO ESTABLISH AN IOLTA ACCOUNT?

A: No. All lawyers must be in compliance with Maryland’s IOLTA law, but compliance does not necessarily require having an IOLTA account. Maryland’s mandatory IOLTA program (Maryland Business Occupations Code, Section 10-303) requires all Maryland attorneys holding qualified client funds (i.e. funds that are nominal in amount or funds that will not be held long enough to generate net interest for the individual client) to establish an IOLTA account. Thus, not every lawyer’s trust account will be an IOLTA account.

For example, if the deposit is large enough and/or will be held long enough to generate net interest for the client, the attorney should hold those trust funds in a separate interest-bearing account for the individual client. Also, a lawyer holding IOLTA-eligible funds may request a waiver from participation in the IOLTA program if the bank assesses allowable reasonable fees on the account and the lawyer believes that such fees will consistently exceed interest earned on the account [Maryland Business Occupations Code, Section 10-303(c)]. A general guideline is that if the escrow account has an average monthly balance below \$3,500 and the bank assesses fees against IOLTA interest, the attorney should request a waiver of participation and instead open a pooled non-interest-bearing escrow account to hold these nominal and short-term funds. Lawyers and law firms -- not financial institutions -- have the responsibility for deciding which accounts they must have and what is deposited in each.

Q: ARE THERE ELIGIBILITY REQUIREMENTS FOR FINANCIAL INSTITUTIONS TO PARTICIPATE IN THE IOLTA PROGRAM?

A: Yes. Participation in IOLTA is voluntary for financial institutions, but a lawyer cannot keep attorney escrow funds in financial institutions unless the financial institution has been approved by the Attorney Grievance Commission to hold such funds pursuant to Maryland Rules of Procedure, Chapter 600, governing attorney trust accounts. Banks, trust companies, savings banks, or savings and loan associations authorized by law to do business in Maryland, in the District of Columbia, or a state contiguous to Maryland, which are insured by an agency or instrumentality of the federal government may apply to become an “approved financial institution.” (Rule 16-602(g)). The Rule requires, among other things, that participating financial institutions pay IOLTA accounts no less than the highest rate generally available to the financial institution’s own non-IOLTA customers when the IOLTA account meets the same minimum balance or other eligibility requirements. (Rule 16-610(b)(1)(D)).

Q: WHAT ARE THE STEPS THAT A BANK NEEDS TO TAKE TO PARTICIPATE IN THE IOLTA PROGRAM?

A: A bank must be approved to hold client trust funds by the Attorney Grievance Commission in order to participate in the IOLTA program. If your financial institution has not yet been approved to hold escrow funds, you must submit a completed “Financial Institution Compliance Agreement,” along with the “IOLTA Addendum” (see page 9 for Agreement & page 13 for IOLTA Addendum and complete instructions). The IOLTA Addendum serves to inform us as to how your financial institution will implement the interest rate provisions of the Rule. It will be carefully reviewed by MLSC along with any additional supporting documentation that may be required, depending on the implementation method you choose. Once MLSC has certified your financial institution’s compliance with IOLTA, it will submit your application to the Maryland Attorney Grievance Commission for approval. Please mail all forms to MLSC at Charles Towers, 15 Charles Plaza, Suite 102, Baltimore, Maryland 21201-3994. Once you are approved, a fully-executed copy of the Financial Institution Compliance Agreement will be mailed to you.

Q. WHAT MUST AN ATTORNEY DO TO OPEN AN IOLTA ACCOUNT?

A: The mechanics of establishing an IOLTA account are simple. All that is required is filling out the “Notice of New IOLTA Account/IOLTA Enrollment Form” and submitting it to an approved IOLTA financial institution. At that time, the financial institution will establish an IOLTA account, according to its own procedures, with interest payable to MLSC. A copy of the IOLTA Enrollment Form is included on page 7 of this Manual, and is also available for download at www.mlsc.org.

Q. IS THERE A SPECIAL TITLE DESIGNATION FOR AN IOLTA ACCOUNT?

A. Maryland Rules of Procedure, Section 16-606 authorizes only three designations for attorney trust accounts - “*Attorney Trust Account*,” “*Attorney Escrow Account*,” or “*Clients’ Funds Account*.” This requirement applies to all IOLTA accounts. **It is important, however, that IOLTA accounts be identified in such a way as to be easily recognized by financial institution personnel.**

Q. ARE THERE ANY SPECIAL CHARACTERISTICS OF IOLTA ACCOUNTS?

A. Account funds must be subject to withdrawal or transfer upon request and without delay, or as soon as permitted by law. The rate of interest payable on the account shall not be less than the rate paid by the financial institution to its regular depositors with similarly-situated accounts. Account service charges assessed against IOLTA interest, if any, must fall within the definition of “allowable reasonable fees” defined in MD Rule 16-610. See page 5 for additional details on interest rates and service charges.

Q. WHAT ARE THE TAX CONSEQUENCES?

A: None. The Internal Revenue Service has ruled that there are no tax consequences to the client, the lawyer, or MLSC. Also, there are no IRS reporting requirements for the lawyer, financial institutions or client since all IOLTA accounts will use the tax identification number of MLSC (Tax I.D. number 52-1266744).

- Q: IS IT NECESSARY TO PREPARE IRS FORM 1099 FOR POOLED IOLTA ACCOUNTS?**
- A: No. Since MLSC is a 501(c)(3) charitable organization, the IRS has advised that a financial institution does not need to report interest income generated by a pooled IOLTA account. In fact, in order to minimize administrative problems, a Form 1099 should **not** be prepared on these accounts. If for some reason it is necessary to prepare the form, MLSC should be shown as the recipient of the interest (MLSC Tax I.D. number 52-1266744), and the form should be mailed directly to MLSC. The attorney or law firm's Tax I.D. number should *never* be used.
- Q: ARE IOLTA PROGRAMS A NEW IDEA?**
- A: No. IOLTA programs were first established in Australia and Canada in the late 1960s and early 1970s to generate funds for legal services to the poor. The first IOLTA program in the United States was established in Florida in 1981. Maryland's program, created in 1982, was the fourth IOLTA program in the nation. Now, all 50 states, the District of Columbia and the U.S. Virgin Islands have adopted IOLTA programs.
- Q: DOES IOLTA BRING IN NEW BUSINESS?**
- A: Yes. Attorneys holding IOLTA-eligible funds are required to establish IOLTA accounts and will seek banks offering this product. Also, experience has shown that financial institution participation in Maryland's IOLTA Honor Roll program attracts new attorney business. Attorneys are excellent sources of referral business, including loans, deposits and trust services.
- Q. WHAT IS THE IOLTA HONOR ROLL AND MUST MY FINANCIAL INSTIUTION BE A MEMBER TO OFFER IOLTA?**
- A. The IOLTA Honor Roll is a joint program of MLSC and the Maryland State Bar Association to encourage financial institutions to pay premium rates on IOLTA accounts. A financial institution is not required to join the Honor Roll, but such participation is strongly encouraged to assist in IOLTA's charitable purposes (see pages 15 & 16 for Honor Roll requirements and Enrollment Form). Honor Roll members are actively promoted to attorney members in a variety of mediums and forums, and participation is an excellent way for financial institutions to attract new attorney and law firm clients. Additionally, MLSC will provide a Community Reinvestment Act (CRA) statement verifying your participation in this important program, and provide other public recognition and promotion as appropriate.
- Q: IS ADDITIONAL INFORMATION AVAILABLE?**
- A: Yes. More information along with downloadable forms are available at www.mlsc.org. Also, the MLSC staff is happy to provide any additional information to financial institutions, as well as to attorneys and firms. Contact MLSC at Charles Towers, 15 Charles Plaza, Suite 102, Baltimore, Maryland 21201-3994. The telephone numbers are: (410) 576-9494 or (800) 492-1340. Inquiries may also be sent by e-mail to iolta@mlsc.org.

COMPLYING WITH IOLTA REQUIREMENTS

- 1. ENROLLMENT.** Attorneys should complete and submit a “Notice of New IOLTA Account/ IOLTA Enrollment Form” to an approved financial institution (see Enrollment Form, page 7). This form gives authority to the financial institution to establish IOLTA accounts for lawyer/law firm customers and instructs the financial institution to set up (if new) or change the status of an existing (non-interest-bearing) pooled account to an interest-bearing account; use MLSC’s tax identification number (52-1266744) on each IOLTA account instead of the lawyer/law firm’s tax identification number; and on a monthly or quarterly basis, remit interest for each IOLTA account, less allowable reasonable fees, if any, directly to MLSC’s depository bank (detailed remittance information follows).

Copies of each IOLTA Enrollment Form should be completed and sent each monthly/quarterly remittance period to Maryland Legal Services Corporation, Charles Towers, 15 Charles Plaza, Suite 102, Baltimore, MD 21201-3994. Additional copies of the “Notice of New IOLTA Account/IOLTA Enrollment Form” are available for download at www.mlsc.org.

- 2. ACCOUNT ESTABLISHMENT:** An IOLTA Account may be established as a basic interest-bearing checking account; any other suitable interest-bearing checking account offered by the financial institution to its other non-IOLTA customers; or a business checking account with an overnight sweep investment feature into repurchase agreements fully collateralized by U.S. Government securities, if such accounts are offered to similarly-situated non-IOLTA customers. Regardless of which product is used for the particular IOLTA account, it is important that **STEPS BE TAKEN TO ENSURE THAT THESE ACCOUNTS ARE CLEARLY IDENTIFIED AS IOLTA ACCOUNTS**, and to make certain that the regulations for IOLTA accounts cannot be overlooked at a future time by personnel not familiar with the IOLTA program.
- 3. INTEREST RATES:** The interest rate paid on IOLTA accounts may not be less than the highest rate generally available from the financial institution to its non-IOLTA customers when the account meets the same minimum balance or other eligibility qualifications. This requirement may be met by: 1) establishing the IOLTA account in an account type listed in item 2, above, paying the highest rate for which the particular IOLTA account qualifies; 2) retain the existing IOLTA product and pay the equivalent applicable rate that would be paid on the highest yield product the financial institution offers and for which the IOLTA account qualifies; 3) offer a “safe harbor” rate that is equal to 55% *net yield* of the federal funds Target Rate as reported on the first calendar day of the month on high-balance IOLTA accounts (i.e. typically \$100,000 or greater); 4) paying an agreed upon rate specified by MLSC.
- 4. SERVICE CHARGES:** “Allowable Reasonable Fees” in amounts customarily charged to non-IOLTA customers with the same type of accounts and balances may be deducted from interest earned on IOLTA accounts, except for “safe harbor” rate accounts, which are already deemed to be net of allowable reasonable fees. Fees that are NOT allowable reasonable fees include fees for wire transfers, certified checks, account reconciliation services, presentations against insufficient funds, overdrafts, or deposits of dishonored items. Fees that are not allowable reasonable fees are the responsibility of, and may be charged to, the attorney or law firm maintaining the IOLTA account.

IOLTA accounts contain client funds held in trust by attorneys, and any transaction fees or service charges on these accounts MUST NOT be deducted from the principal in these accounts. It is essential that financial institution personnel understand that the principal in these trust accounts

must not be invaded for service charges. Any fees or charges must be deducted from interest earned or charged to the law firm maintaining the account pursuant to Maryland Rule 16-610(b)(1)(D)(iii).

Nothing in the Maryland Rules precludes an approved Financial Institution from paying higher rates than required or electing to waive fees and service charges on IOLTA. MLSC and the Maryland State Bar Association encourage favorable rates and fee waivers to help support the IOLTA program's charitable purposes, and are partners in the IOLTA Honor Roll Program. (See page 15 for information regarding Maryland's IOLTA Honor Roll).

5. INTEREST REMITTING AND REPORTING:

- a) **Remittance of Funds:** Interest generated on IOLTA deposits, net of allowable reasonable fees, if any, must be remitted either monthly or quarterly to the MLSC depository bank lockbox. Payment may be made by check or ACH transfer. If your financial institution maintains IOLTA accounts for more than one attorney or law firm, a single remittance for all accounts should be made at one time.
- b) **Remittance Report:** The "IOLTA Remittance Report" allows MLSC to record IOLTA interest by individual lawyer/law firm IOLTA accounts, using the account number assigned by the financial institution. Financial institutions should use the remittance report format included in this handbook (see pages 17-19). The remittance report **MUST** include the name of the lawyer or firm, the account number, the collected average monthly balance, the rate of interest applied, gross interest, any service charges assessed and the net interest remitted for the account. **An electronic file with this information is required** in either EXCEL or CSV (comma separated value) format. An Excel spreadsheet template as well as CSV format instructions are available at www.mlsc.org, and remittance reports can be e-mailed to iolta@mlsc.org. Alternatively, the report can be submitted on disc (see below). Please note that *remittance reports are sent directly to MLSC, whereas remittance payments are sent directly to MLSC's depository bank.* **REMITTANCE REPORTS ARE NOT SENT WITH CHECKS TO THE P.O. BOX.** Also, for each monthly/quarterly remittance period, copies of "Notice of New IOLTA Account/IOLTA Enrollment Form" should be submitted to MLSC for each new account.

INSTRUCTIONS TO FINANCIAL INSTITUTION:

1. Interest accrued on the account (net of allowable service charges or fees, if any) should be remitted monthly or quarterly electronically by use of an ACH transaction (Wachovia Bank routing number 055003201 and account number 2000026945781) or by check to the Maryland Legal Services Corporation (MLSC), P.O. 2. For each remittance, a report should be prepared showing the name of the lawyer or law firm for whom the remittance is sent, the account number, the average monthly balance, the rate of interest applied, gross interest, service charges or fees and the net amount remitted. If your institution has IOLTA accounts for more than one lawyer or law firm participating in the IOLTA program, a single remittance for all of them should be made at the same time. Please ensure that the remittance statement includes all necessary information so that MLSC staff can determine the exact allocation of the lump sum payment among the firms involved. Reports should be sent by e-mail to iolta@mlsc.org or mailed on disc to the MLSC office.

4. Information returns (IRS Form 1099) are **NOT** required on this account, but if they are produced, such returns should reflect MLSC, Tax I.D. No. 52-1266744, as the recipient of the interest. Do not prepare an IRS Form 1099 reporting interest income to the attorney/law firm depositor or client trustee for this account, as the interest income recipient is MLSC (a nonprofit, tax-exempt organization).
5. MLSC has prepared a "Guide to the IOLTA Program for Financial Institutions." Please notify MLSC if you have not received a copy of this manual. If after reading these instructions and the manual you have questions about implementing the IOLTA program at your financial institution call (800) 492-1340, ext. 1000 or (410) 576-9494, ext. 1000 or visit the MLSC website at www.mlsc.org.

The establishment of trust accounts by law firms and professional associations to implement the IOLTA program has been approved by the Internal Revenue Service and the Federal Reserve System. Copies of these opinions are available upon request to MLSC.

**MARYLAND STATE BAR ASSOCIATION &
MARYLAND LEGAL SERVICES CORPORATION
FINANCIAL INSTITUTION
HONOR ROLL PROGRAM**

The Maryland Legal Services Corporation (MLSC) and Maryland State Bar Association (MSBA) wish to recognize Maryland financial institutions for their commitment to improving access to justice in their community by inviting them to participate in our newly revised Honor Roll Program. This program gives financial institutions the opportunity to be recognized both locally and statewide for significantly benefiting their communities.

The Maryland Court of Appeals amended the Maryland Rules on December 3, 2007 to require attorneys to place IOLTA accounts at financial institutions that pay interest rates comparable to other similarly situated accounts. ***Honor Roll Financial Institutions are those that go above and beyond the requirements of the revised rule*** to foster the IOLTA program in its mission to ensure that low-income Marylanders have access to critically needed legal aid. Financial institutions that agree to pay a net yield of 65 percent or more of the federal funds target rate on IOLTA deposits are members of Maryland's newly revised Financial Institution IOLTA Honor Roll.

Honor Roll benefits include:

- Highlighted on MSBA & MLSC websites
- Active link from MLSC website to Honor Roll member website
- Featured in press releases issued to local and statewide media
- Prominently featured in Maryland's premier legal newspaper, *The Daily Record*
- Endorsed as Honor Roll members and promoted at all MLSC events
- Promoted and prominently featured at MSBA events, including MSBA Annual Meeting
- Featured at various local & specialty bar meetings
- Broad publication of Honor Roll members in local & statewide bar publications & newsletters
- Promoted at semi-annual MSBA Professionalism Course, a mandatory program attended by every newly-admitted Maryland attorney.

Enrollment is easy. Simply complete and return the enclosed enrollment form. Promotion of your financial institution as an Honor Roll member will begin immediately upon receipt of enrollment.

Rule 16-610. Approval of Financial Institutions

a. Written Agreement to be Filed with Commission.

The Commission shall approve a financial institution upon the filing with the Commission of a written agreement with the Maryland Legal Services Corporation (MLSC), complying with this Rule and in a form provided by the Commission, applicable to all branches of the institution that are subject to this Rule. The Commission may extend its approval of a previously approved financial institution for a reasonable period to allow the financial institution and the MLSC the opportunity to enter into a revised agreement that complies with this Rule.

b. Contents of Agreement.

1. Duties to be Performed.

The agreement shall provide that the financial institution, as a condition of accepting the deposit of any funds into an attorney trust account, shall:

(A) Notify the attorney or law firm promptly of any overdraft in the account or the dishonor for insufficient funds of any instrument drawn on the account.

(B) Report the overdraft or dishonor to Bar Counsel as set forth in subsection b 1 (C) of this Rule.

(C) Use the following procedure for reports to Bar Counsel required under subsection b 1 (B) of this Rule:

(i) In the case of a dishonored instrument, the report shall be identical to the overdraft notice customarily forwarded to the institution's other regular account holders. The report shall be mailed to Bar Counsel within the time provided by law for notice of dishonor to the depositor and simultaneously with the sending of that notice.

(ii) If an instrument is honored but at the time of presentation the total funds in the account, both collected and uncollected, do not equal or exceed the amount of the instrument, the report shall identify the financial institution, the name and address of the attorney or law firm maintaining the account, the account name, the account number, the date of presentation for payment, and the payment date of the instrument, as well as the amount of the overdraft

created. The report shall be mailed to Bar Counsel within five banking days after the date of presentation, notwithstanding any overdraft privileges that may attach to the account.

(D) Pay interest on its IOLTA accounts at a rate no less than the highest non-promotional interest rate generally available from the institution to its non-IOLTA customers at the same branch when the IOLTA account meets or exceeds the same minimum balance or other eligibility qualifications for its non-IOLTA accounts at that branch. In determining the highest interest rate generally available from the institution to its IOLTA customers at a particular branch, an approved institution may consider, in addition to the balance in the IOLTA account, factors customarily considered by the institution at that branch when setting interest rates for its non-IOLTA customers; provided, however, that these factors shall not discriminate between IOLTA accounts and non-IOLTA accounts, nor shall the factors include or consider the fact that the account is an IOLTA account.

(i) An approved institution may satisfy the requirement described in subsection b 1 (D) of this Rule by establishing the IOLTA account in an account paying the highest rate for which the IOLTA account qualifies. The approved institution may deduct from interest earned on the IOLTA account Allowable Reasonable Fees as defined in subsection b 1 (d)(iii). This account may be any one of the following product option types, assuming the particular financial institution offers these account types to its non-IOLTA customers, and the particular IOLTA account qualifies to be established as this type of account at the particular branch:

(a) a business checking account with an automated investment feature, which is an overnight sweep and investment in repurchase agreements fully collateralized by U.S. Government securities, including securities of government-sponsored entities;

(b) checking accounts paying interest rates in excess of the lowest-paying interest-bearing checking account;

(c) any other suitable interest-bearing checking account offered by the approved institution to its non-IOLTA customers.

(ii) In lieu of the options provided in subsection b 1 (D)(i), an approved financial institution may: (a) retain the existing IOLTA account and pay the equivalent applicable rate that would be paid at that branch on the highest-yield product for which the IOLTA account qualifies and deduct from interest earned on the IOLTA account Allowable Reasonable Fees; (b) offer a “safe harbor” rate that is equal to 55% of the Federal Funds Target Rate as reported in the Wall Street Journal on the first calendar day of the month on high-balance IOLTA accounts to satisfy the requirements described in subsection b 1 (D), but no fees may be deducted from the interest on a “safe harbor” rate account; or (c) pay a rate specified by the MLSC, if it chooses to specify a rate, which is agreed to by the financial institution and would be in effect for and remain unchanged during a period of twelve months from the agreement between the financial institution and MLSC to pay the specified rate. Allowable Reasonable Fees may be deducted from the interest on this “specified rate” account as agreed between MLSC and the financial institution.

(iii) “Allowable Reasonable Fees” means fees and service charges in amounts customarily charged to non-IOLTA customers with the same type of account and balance at the same branch, including per-check charges, per-deposit charges, a fee in lieu of a minimum balance, federal deposit insurance fees, and sweep fees, plus a reasonable IOLTA account administrative fee. Allowable Reasonable Fees may be deducted from interest earned on an IOLTA account only in amounts and in accordance with the customary practices of the approved institution for non-IOLTA customers at the particular branch. Fees or service charges are not Allowable Reasonable Fees if they are charged for the convenience of or arise due to errors or omissions by the attorney or law firm maintaining the IOLTA account or that attorney's or law firm's clients, including fees for wire transfers, certified checks, account reconciliation services, presentations against insufficient funds, overdrafts, or deposits of dishonored items.

(iv) Nothing in this Rule shall preclude an approved institution from paying a higher interest rate than described herein or electing to waive any fees and service charges on an IOLTA account.

(v) Fees that are not Allowable Reasonable Fees are the responsibility of, and may be charged to, the attorney or law firm maintaining the IOLTA account.

Cross reference: Rule 16-607 b 1.

(E) Allow reasonable access to all records of an attorney trust account if an audit of the account is ordered pursuant to Rule 16-722 (Audit of Attorney Accounts and Records).

2. Service Charges for Performing Duties Under Agreement.

Nothing in the agreement shall preclude an approved financial institution from charging the attorney or law firm maintaining an attorney trust account (1) a reasonable fee for providing any notice or record pursuant to the agreement or (2) fees and service charges other than the "Allowable Reasonable Fees" listed in subsection b 1 (D)(iii) of this Rule.

c. Termination of Agreement.

The agreement shall terminate only if:

1. the financial institution files a petition under any applicable insolvency law or makes an assignment for the benefit of creditors; or
2. the financial institution gives thirty days' notice in writing to the MLSC and to Bar Counsel that the institution intends to terminate the agreement and its status as an approved financial institution on a stated date and that copies of the termination notice have been mailed to all attorneys and law firms that maintain trust accounts with any branch of that institution; or
3. after a complaint is filed by the MLSC or on its own initiative, the Commission finds, after prior written notice to the institution and adequate opportunity to be heard, that the institution has failed or refused without justification to perform a duty required by the agreement. The Commission shall notify the institution that the agreement and the Commission's approval of the institution are terminated.

d. Exceptions

Within 15 days after service of the notice of termination pursuant to subsection c 3 of this Rule, the institution may file with the Court of Appeals exceptions to the decision of the Commission. The institution shall file eight copies of the exceptions which shall conform to the requirements of Rule 8-112. The Court shall set a date for oral argument, unless oral argument is waived by the parties. Oral argument shall be conducted in accordance with Rule 8-522. The decision of the Court of Appeals is final and shall be evidenced by an order of the Court.

Source: This Rule is derived from former Rule BU10.

Rule 16-611. Notice of approved institutions.

The Commission shall cause to be published in the Maryland Register, at six-month intervals, a list that identifies:

1. All currently approved financial institutions; and
2. Any financial institution whose agreement has terminated since the previous list was published. (Adopted effective January 1, 1997, amended effective January 1, 1997.)

Source: This Rule is former Rule BU11.

Rule 16-612. Enforcement.

Upon receipt of a report of overdraft on or dishonored instrument drawn on an attorney trust account, Bar Counsel shall contact the attorney or law firm maintaining the account and request an informal explanation for the overdraft or dishonored instrument. The attorney or law firm shall provide any records of the account necessary to support the explanation. If Bar Counsel has requested but has failed to receive a satisfactory explanation for any overdraft or dishonored check, or if good cause exists to believe that an attorney or law firm has failed to perform any duty under these Rules, Bar Counsel may secure compliance with these Rules by appropriate means approved by the Commission, including application for an audit pursuant to Rule 16-718 (Audit of Attorney's Accounts and Records). (Adopted effective January 1, 1997.)
